Section 1

CURRENT SLA v2, effective 2026-10-01: 99.5% managed-service availability within Monday-Friday 08:00-18:00 site-local time excluding holidays. It does not promise 99.95% 24/7. SLA v1 is withdrawn and cannot be used for commitments.

Section 2

Measurement: covered minutes minus approved maintenance; bank power/ISP outages and bank-caused changes are excluded. Credits capped at 10% of that month's managed-service fee. P1 acknowledgement target is one covered hour; there is no guaranteed resolution time or overnight response.

Section 3

Monthly service report; standard patch window agreed with bank; emergency changes require approval and rollback record. Transition requires signed pilot acceptance and monitoring contacts. No historical incident, drift or patch audit is included.
